PRODUCT FEATURES

SPACE SAVING FOOTPRINT

With just 3.5 ft x 2.3 ft of footprint, the compact design of the STEPR Pro+ takes up minimal space in your home while still providing a highly effective workout platform.

27 INCH TOUCHSCREEN

27" HD touchscreen with 1080p resolution and 2/4 channel audio for entertainment apps (Netflix, YouTube, Spotify, Hulu, Prime Video)

AUTOMATIC SAFETY FEATURES

- Emergency Stop Button: Halts the machine instantly.
- Auto Stop: The STEPR stops automatically if you step off.
- Infrared Sensor: The STEPR stops automatically if it detects any obstacle.

STEPR ANCHOR POINTS

The STEPR Anchor Points are strategic and secure attachment locations on the STEPR machine. These points allow you to connect various accessories, such as resistance bands or other fitness equipment, to enhance your workout experience.

BIGGER STEPS

Building on our innovative stadium steps and the floating step design, we are now making them larger to enhance comfort for every family member. Join us on this thrilling journey as we ensure that everyone can step up and be a part of the excitement.

ON DEMAND CLASSES

On-demand classes, guided scenic sessions, and more via the STEPR app (*coming soon). Choose from on-demand and scenic classes (Steady Step, HIIT, Bootcamp, Stretch & Mobility, or Strength workouts), powered by in-app metrics.

MINIMAL ASSEMBLY TIME REQUIRED

We know time is valuable, and that's why we've made assembling the STEPR PRO+ a breeze. With our user-friendly assembly process, you'll have your STEPR up and running in no time, typically taking just 45 minutes.
