

NATIONAL TRAFFIC INCIDENT MANAGEMENT (TIM) RESPONDER TRAINING PROGRAM

Virtual Train-the-Trainer Course Announcement

The National TIM Responder Training Program was developed by responders for responders, and was designed to promote consistent training of all responders to achieve the National Unified Goal (NUG) for TIM. The TIM NUG is a commitment to:

- The Safety of Responders and All Road Users
- Safe, Quick Clearance
- Communication, Coordination, and Cooperation

The Train-the-Trainer (TtT) course covers eight hours of material and is intended to provide participants (i.e., trainers) the knowledge and materials necessary for them to conduct TIM training for responders in their area or state.

Requirements for participation:

- **Prior instructional and TIM experience**
- **Commitment to providing training to other TIM responders in your area**
- **Commitment to submitting your training records**

The target audience for the course is all TIM disciplines, including: Communications, Emergency Management, Emergency Medical Services (EMS), Fire/Rescue, Law Enforcement, Towing and Recovery, and Transportation/Public Works.

The Federal Highway Administration is offering three virtual TtT sessions across a range of days, times, and time zones. All options are open to individuals from all 50 States, D.C., and Puerto Rico, but each session will be limited to 40 participants.
